Notice of the 2015 World Potash Conference

To all members,

China's potash industry takes a decisive position in the world, and China is now the world's fourth largest potash producer after Canada, Russia and Belarus. In particular, China's potash industry has taken a long stride over the past years. In this context, Chinese enterprises have accelerated the pace to build foreign potash bases, and Chinese potash producing capacity has continuously enhanced, and the change in the supply and demand of potash has remained as the focus across the world. In order to exhibit the technical results and development achievements of the Chinese potash industry, actively promote technical exchange, trade in product and cooperation with international counterparties and jointly propel technical advance and development of the world potash industry, China Inorganic Salts Industry Association、People's Government of Germu City of Qinghai Province、Qinghai Salt Lake Industry Group Company Limited and Qinghai Institute of Salt Lakes of the Chinese Academy of Sciences have decided to host the 2015 World Potash Conference in Germu City, Qinghai Province on July 9-11, 2015.

The conference is a comprehensive international industry conference that will coincide with the fiftieth anniversary of the Qinghai Institute of Salt Lakes of the Chinese Academy of Sciences and the annual technical exchange conference of the Potash Industry Association. Adhering to professionalism, authority, international and high standards of characteristics and with the substantial support of the People's Government of Qinghai Province, Ministry of Industry and Information Technology of the People's Republic of China, Chinese Academy of Sciences, China Petroleum and Chemical Industry Federation and International Fertilizer Industry Association, the conference focus on display the potash products, technology and equipment, and promote the deep combination of the world potash industry technology and capital, and strive to build the world's largest and most authoritative potash professional event. Now, all members and related institutions are sincerely invited to participate in the event. Hereby notify the relevant issues as follows:

I. Theme: Communication, Cooperation, Innovation and Development

II. Time & Venue: July 9-11, 2015, Germu Conference Center, Qinghai Province

III. Form: Theme report, special report, high-level interview, site interaction, trade exchange, product and equipment, and technical exhibition. Drive the exhibition with the conference, and promote the conference with the exhibition.

International Fertilizer Industry Association

Supervising Authorities: The People's Government of Mongolian-Tibetan Autonomous Prefecture of Qinghai Province

Department of Commerce of Qinghai Province

Sponsors: People's Government of Genu City of Qinghai Province

China Inorganic Salts Industry Association

Qinghai Salt Lake Industry Group Company Limited

Qinghai Institute of Salt Lakes of the Chinese Academy of Sciences

Organizer: Potash Branch of China National Inorganic Salts Industry Association

CCPIT Sub-council of Chemical Industry

Co-organizer: SDIC Xinjiang Luobupo Hovellite Co., Ltd., Qinghai Zangge Potash Co., Ltd., Wentong Potash Group Co., Ltd., BD Salt, Anhui Huayue Mineral Materials Co. Ltd., Sinofert Holdings Limited, Qinghai Zhongxin Guoan Technology Development Co., Ltd., Sinoagri Holdings Co., Ltd., MIGAO Group, Terrativa Minerals, Jiangxi Tengda Industry Group, Yanzhou Coal Mining Company Limited, Institute of Geology and Geophysics, Chinese Academy of Sciences, Jiangsu Leke Thermal Technology Co., Ltd., Golmud Kangsheng Potash Industry Science and Technology Development Limited Company, Tianyu Huijing Group, Solid Potash Prospecting Technology & Equipment Institute, Qinghai Zhejiang Lianda Chemical Co., Ltd., Qinghai Geology & Mining Group, Yifeng Group, Beifeng Group, Qinghai Lianyu Potash Corporation, Urakkali of Russia, BELARUSKALI, SQM of Chile, Kazakhstan Potash Corporation, Lao Kaiyuan Mining Sole Company Limited, Evergreen Holding Group of the Republic of Congo, Luyuan Mining Corporation of the Republic of Congo, Sinohydro (Laos) Potash Corporation, Germany K+S, Canada Canpotex, SKF Chemical Co., Ltd., Wuhan Inorganic Salt Chemical Co., Ltd., Chengdu Huarong Chemical Co., Ltd., Israel ICL, Qinghai AVIC Resources Company Limited...

V. Committee Working Mechanism

Specially invited counselors:

Li Yongwu — Executive Commissioner of the 10th National Committee of CPPCC、Former Director of the State Bureau of Petroleum and Chemical Industries、Chairman of Petroleum and Chemical Industry Federation

Michel Prud'homme — IFA Senior Director of Production and International Trade Committee

Honorary Chairman:

Xin Guobin — Vice Governor of the People's Government of Qinghai Province

Zhao Jungui — Vice President of Petroleum and Chemical Industry Federation

Chairman:

Nuo Weixing — Deputy Secretary and Governor of the People's Government of Mongolian-Tibetan Autonomous Prefecture of Qinghai Province

Associate Director

Wu Mingyu — Chairman of China Inorganic Salts Industry Association

Wang Jingping — Deputy Director-general of Department of Commerce of Qinghai Province

Li Guozhong — politburo of the People's Government of Mongolian-Tibetan Autonomous Prefecture of Qinghai Province and party secretary of Golmud

Wang Yong — Vice Secretary Municipal Committee of the CPC and Mayor of the People's Government of Germu City of Qinghai Province

Li Gang — Chairman of Potash Branch of China National Inorganic Salts Industry Association

Wang Xingfu — Chairman of Qinghai Salt Lake Industry Group Company Limited

Duan Dongping — Deputy director of Qinghai Institute of Salt Lakes of the Chinese Academy of Sciences

Zhang Haijun — Municipal Standing Committee and Deputy Mayor of the People's Government of Germu City of Qinghai Province

Secretary-general

Chen Guofu — Vice President of China Inorganic Salts Industry Association and Secretary-general of Potash Branch of China National Inorganic Salts Industry Association

Deputy Secretary-general

Zhang Haijun — Municipal Standing Committee and Deputy Mayor of the People's Government of Germu City of Qinghai Province

Wang Xiaofeng — Deputy director of industry development of Petroleum and Chemical Industry

Federation and Secretary-general of China Inorganic Salts Industry Association

Xie Kangmin — president of Qinghai Salt Lake Industry Group Company Limited

Ma Chunyan — Vice President of CCPIT Sub-council of Chemical Industry

Qi Zhaoying — Deputy Secretary-general of Potash Branch of China National Inorganic Salts Industry Association

Wei Ming — Vice Secretary of Potash Branch of China National Inorganic Salts Industry Association

The expert consultation committee: Li Gang, Wang Xingfu, Li Shoujiang, Xiao Yongming, Li Wei, He Maosheng, Li Hongcan, Feng Mingwei, Zhu Lian, Sun Ximing, Liu Guocai, Liu Guizhong, Si Yuangong, Zhang Yanlu, Zhao Jian, Zhong Lin, Tang Chong, Nie Zhiping, Yu Jianguo, Yuan Junsheng, Zhang Baoquan, Lai Cunliang, Yu Ronghua, Zhao Jiachun, Li Bo, Zhao Sijian, Duan Dongping, Zhang Jun, Jiang Qiang, Zhang Xiaobiao, Zhou Maopu, Sun Weishan, Wang Xiaofeng, Liu Jianming, Tian Youguo.....
